

Dear Customers,

Happy New Year!

Here at Hyde Shipping, we are kicking off 2018 with some exciting news. We're growing!

In 1976, Hyde Shipping started as a small, family-owned operation with just six employees, four of whom still work with us today. Fast-forward 40 years later, and so much has changed. Gradually expanding from our first location, a 5,000 square-foot property on the Miami River that doubled as both a warehouse and an office, today, we handle all of your shipping and cargo needs from our 46,000 square-foot warehouse and 8,000 square-foot office in the Flagler Station Industrial Park in Medley, FL.

We've made this location our home for 20+ years, and we've loved every minute of it. But as our company continues to grow, we at Hyde Shipping have reached a new milestone. Thanks to our cherished work with you, our customers, it's once again time to expand our walls. It is because of our work with you that we are able to take this next step as a company—so to better serve you, we're moving into a larger, more efficient warehouse in close proximity to our current location. **And we'll be there as soon as March 1st, 2018.**

Here are just some of the ways our new Hyde Shipping warehouse and office will enhance your shipping and delivery experience:

- **It's much larger.** While we currently operate out of a 46,000 square-foot warehouse, our new location will have 70,000 square feet of office and warehouse space to more efficiently receive, load and document your cargo. *That's an additional 24,000 square feet of space.*
- **Cargo deliveries and pick-ups will be easier for our customers.** For your convenience, we will have a dedicated ground level receiving door specifically designed for small parcel deliveries. *(We call this our "Mom & Pop" door.)*
- **It's in a more convenient location.** Our new office is in close proximity to both I-75 and the Florida Turnpike Extension (Exit: Okeechobee Road).
- **Truck drivers will also have their own receiving doors—and lots of them.** We will have 25 dock height receiving doors that will be located away from our "Mom & Pop" door.

**The new Hyde Shipping will be located at:
County Line Corporate Park
3740 WEST 104TH STREET, SUITE 1, HIALEAH, FL 33018**

All packages expected to be delivered on or after March 5th, 2018 need to be addressed to the new location.

Directions to our new building can be found on the back of this page. If you have any questions about our new location, or would like more information about what this move means for you, please don't hesitate to call us at (305) 913-4933.

From all of us here at Hyde, we wish you a healthy and prosperous 2018 and we look forward to serving you even better from our new location.
