**TO: Our Valued Customers**

**Re: Small packages consolidation charge / BZE and GCM**

\*\*\*\*\*

**Due to the increased volume of small packages and internet orders during these unprecedented times, we will be increasing our “Consolidation charge” to \$10.00 per shipment to be in effect on January 09, 2022.**

**Your business is very important to us. Should you require any further information, please feel free to contact your service representative at any time.**
